BAND OF HEROES

The Victoria Symphony Splash Band of Heroes was initiated in 2010 to help cover the operational costs of Splash and build a stable and sustainable future for Victoria's marquee summer event.

Currently, the Band of Heroes are business leaders and individuals who believe that Victoria Symphony Splash is a unique event that not only provides an incredible day of music and fun for over 45,000 people, but also enriches our community and benefits our downtown businesses. The support from our Band of Heroes allows Symphony Splash to continue and grow for residents and visitors to enjoy.

Your support is a vital part of making Symphony Splash happen. We hope you will join our Splash Band of Heroes for 2018.

Thank You
