Christian Kluxen, Music Director

For 78 years, the Victoria Symphony has performed and created extraordinary music for the people and families of Vancouver Island.

In one season we perform for an astounding 140,000 people, including more than 12,000 children through our Concert for Kids Series and Education and Outreach Programs.

The Victoria Symphony is a not-for-profit registered charity that relies on the generosity of individuals just like you to do all that we do.

Your donation is vital to making Victoria Symphony Splash happen each year.
