Thank you for your interest in donating securities to the Victoria Symphony Society or Foundation. The following will help us ensure that your generous gift is efficiently processed.

1. Complete and sign page 2 of this document. Your broker or investment firm will provide the numbers and symbols requested and clarify any special circumstances that might delay the processing of your donation.
2. Submit the completed page to your broker or deliver it (with your securities) directly to our custodian, RBC Investor & Treasury Services. Details regarding the receiving institution have been filled in on the attached form.
3. Once the securities have been transferred to the Symphony's brokerage account, RBC Investor & Treasury Services will advise us in writing of their receipt and market value.
4. We will issue an official receipt to you, for income tax purposes, for the value as determined by RBC Investor & Treasury Services.

Please clarify whether you wish your donation to be directed to the **Victoria Symphony Society** (to support annual concerts and programming) and/or the **Foundation for the Victoria Symphony** (to be invested and used to support long term financial security and programs in perpetuity.) The option is given on the following page.
